

Vancouver Coastal Health is part of a province-wide Addiction Knowledge Exchange initiative. One of the components of the Addiction Knowledge Exchange will be focused on reducing stigma and subsequently improving access to care of individuals and families whose lives are challenged by mental health and addiction issues.

As part of the anti-stigma initiative, VCH is sponsoring one night of Headlines Theatre's *Theatre for Living* production of "Us and Them (the inquiry)."

The theatre experience examines why society is often compelled to create a "them" in so many circumstances, a topic that is particularly relevant to us all.

We would like to invite you to attend the VCH-sponsored production of "Us and Them (the inquiry)." on **Sunday, November 28th, 2010** and take part in an evening of participatory theatrical inquiry that promises to be unique and memorable. **Admission is by donation.**

When: November 28th, 2010 at 7:30pm
Where: St. James Community Square
3214 West 10th Ave. Vancouver
